

VII BRISPE – December 5–6, 2024, Rio de Janeiro

“Research integrity and generative artificial intelligence: Navigating new ways of doing and communicating science”

Doctoral Forum and VII BRISPE Award for Excellence in Doctoral Research on Research Integrity and Publication Ethics

The Organizing Committee of the **VII Brazilian Meeting on Research Integrity, Science and Publication Ethics (VII BRISPE)** is pleased to announce that a Doctoral Forum will be held for the first time in the event! **The Forum will provide a unique opportunity for PhD students to share ideas and the progress of their ongoing projects with colleagues and experienced researchers in the fields of research integrity and publication ethics.**

This scientific forum will provide an exciting, friendly and supportive environment for PhD students to interact with other participants!

It will be held on December 4, as part of the pre-conference meetings (<https://www.viibrispe2024.com/about-4-1>).

On the recommendation of the Doctoral Forum panel, two awards will be granted to two outstanding doctoral projects (according to specified criteria to be released). **The awards will be announced at the closing session of the VII BRISPE. Deadline: September 15. Applicants will be notified of a decision by September 25.**
