THE LIVEABILITY CHALLENGE: LOOKING AHEAD TO 2026

Dear Felipe,

As we look ahead to the new year, we'd like to thank you for being part of [The Liveability Challenge](#) community. From innovators and entrepreneurs to partners and supporters worldwide, your engagement helps advance meaningful climate solutions.

The Liveability Challenge 2026 is open for submissions, with a record **S\$4 million in catalytic funding** available to support breakthrough innovations addressing urgent climate challenges.

Submissions are invited under two key themes — **Decarbonisation** and **Cool Earth** — and close on **9 February 2026, 11:59 PM (GMT+8)**.

EXPLORE TLC 2026 AND SUBMIT YOUR INNOVATION

For those interested in learning more about the submissions process, we have additional resources available:

- **Submissions tutorial video** — a short walkthrough of the submissions process and requirements. [Watch the tutorial.](#)
- **Upcoming webinar (8 January 2026, 3–4 PM SGT)** — insights and a live Q&A on how to craft a compelling TLC submission, with representatives from Temasek Foundation and A*STAR. [Register for the webinar.](#)

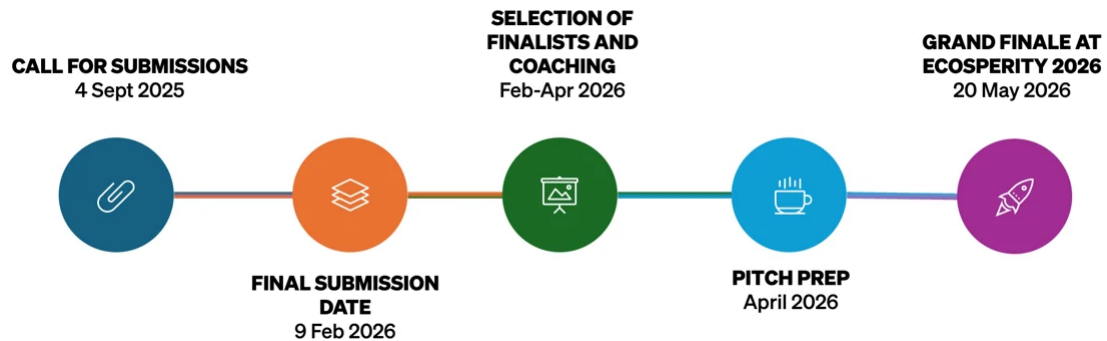

Since 2018, The Liveability Challenge has incubated **54 start-ups** and deployed almost **S\$14 million** in catalytic funding to help scale impactful climate solutions globally.

We also welcome mission-driven partners who share our commitment to driving positive change — please write to tlc@eco-business.com to start a conversation.

We look forward to continuing this journey with you in the year ahead.

Warm regards,
The Liveability Challenge Team
